## Research Interests

Emotions and Emotion Regulation · Socially-Shared Regulation · Computer-Supported Collaborative Learning · Social Presence · Group Cohesion · Multi-Modal Analysis · Educational Data Mining

## Education

| | |
|---|---|
| 2021-present | **Ph.D. Learning Sciences, Educational Psychology**, *McGill University*, Montreal, Canada, CGPA: 4.00 / 4.00. |
| 2019-2021 | **M.Ed. Educational Psychology**, *McGill University*, Montreal, Canada, CGPA: 3.98 / 4.00. |
| 2018.03-2018.06 | **Certificate of Exchange Student. Cognitive Sciences & British Literature**, *University of California, San Diego*, California, the United States, CGPA: 3.58 / 4.00. |
| 2015-2019 | **B.A. English Language and Literature**, *Shenzhen University*, Shenzhen, China, CGPA: 3.50 / 4.00. |

## Research Experience

**Sep. 2019-Present**  **Advanced Technologies for Learning in Authentic Settings (ATLAS) Research Team**, *Research Assistant.*

- Worked under the supervision of Dr. Susanne Lajoie, McGill University.
- Used InqScribe, VESTA and other technologies to transcribe, analyze and edit audio data.
- Participated in coding SRL and TPACK elements in Teachers' Regulation and Technology Use Project.
- Collaborated in literature searching, writing, and publishing research papers and posters in conference proceedings and proposed new research protocols.

## Internship and Work Experience

**Sep. 2019-Dec. 2019**  **Bronfman Jewish Education Centre, Montreal, Canada**, *Workshop Teacher.*

- A structured field work under the supervision of Dr. Carly, Rosenzwieg.
- Developed resources focused on executive function skills for students from elementary to high schools.
- Identified, planned, and delivered subject-theme educational activities for students of varying age groups.
- Received an element of training with a supportive and high-performing team.

| | |
|---|---|
| Aug. 2018-Sep. 2019 | **Shenzhen Yifeng Global Education, Shenzhen, China**, *IELTS Teacher*. |

- Tutored students in English listening, reading, and writing to maximize their understanding and scores.
- Developed academic strategies, reviewed worksheets and created mock tests to prepare students with IELTS exam.
- Guided students to adopt effective strategies to learn English and helped them achieve better performance in the IELTS exam (10 percent higher than their original scores).
- Leaded and motivated students to complete assignments and helped them improve efficiency and effectiveness in learning.

| | |
|---|---|
| Sep. 2017-Dec. 2017 | **Blang Education Center Co., Ltd., Shenzhen, China**, *English Teacher*. |

- Attended teacher training sessions and learned about general teaching standards.
- Assisted supervisors in preparing teaching materials, writing reports, and other academic affairs, improving quality of teaching and working efficiency.
- Taught English to Grade 11 and Grade 12 students, and helped them improve their English grammar, reading, writing, and speaking, and prepare for the Hong Kong Diploma of Secondary Education Examination (HKDSE).
- Collected feedbacks from students and improved teaching practices.

## Awards & Honors

| | |
|---|---|
| 2023 | Fonds de recherche du Québec - Société et culture (FRQSC), *83,333 CAD* |
| 2022-2023 | Graduate Excellent Award, *20,000 CAD* |
| 2022 | Graduate Research Enhancement and Travel (GREAT) Award, *190 CAD* |
| 2022 | Education Graduate Students' Society (EGSS) Professional and Research Development Award, *125 CAD* |
| 2021-2022 | McGill University International Tuition Scholarship (DFWs), *10,000 CAD* |
| 2021-2022 | Educational & Counselling Psychology (ECP) Graduate Excellence Fellowship, *11,800 CAD* |
| 2021 | Educational & Counselling Psychology (ECP) Emerging Researcher Award, *8,200 CAD* |
| 2018 | USIEA-IELTS Scholarship (awarded by U.S. International Education Association), *1,000 USD* |
| 2017 | Foreign Language Exam Scholarship, *200 USD* |
| Mar. 2017 | Excellent Leader in Winter Social Practice, *honorary award* |
| 2016 & 2017 | Excellent Student of Art and Sports, *400 USD* |
| 2016 | 4th Prize in Women's Single in Freshmen Badminton Competition at Shenzhen Univ, *honorary award* |
| 2015 | Annual Outstanding Host of the Student Union, *honorary award* |

## Teaching Experience

2022 Winter    EDPT 204 **Creating and Using Media for Learning**. Teaching Assistant
- Facilitated discussions and responded to students' questions on Perusall, a discussion forum for collaborative learning and knowledge sharing.
- Assisted the instructor with small group discussions and evaluated the lab activities.
- Evaluated and marked students' media products on educational technologies such as Adobe Spark, FlipGrid, and Peardect.

Nov. 2021    EDPE 666 **Foundations of Learning Science**, Guest Speaker
- Introduced analytic methods on think-aloud protocols including transcript techniques and codding skills in previous research projects in Learning Sciences.
- Assisted group leader to lead class activity in better knowledge acquisition of the topic.
- Booted students' critical thinking and answered students' questions in class.

2021 Fall    EDPT 200 **Integrating Educational Technologies in Classrooms**, Teaching Assistant
- Assisted the course instructor's instruction in class and facilitate students with reading materials on Launchpad.
- Helped with the small group discussions, lab activities, and personal website building during the class.
- Evaluated and marked students' weekly journal and critical reflections.

## Assessment and Review Activities

2023    **European Association for Research on Learning and Instruction (EARLI)**, Section 8 Motivation and Emotion, **Graduate Reviewer**

2022    **Frontiers in Psychology**, the special issue on Methodological and Empirical Advancements in Emotions and their Regulation in Various Collaborative Learning Contexts, **Reviewer**

2022    **Knowledge Management & E-Learning: An International Journal (KM&EL), Reviewer**

2021    **the Annual Meeting of the American Educational Research Association (AERA)**, Division C - Cognitive and Motivational Processes & Special Interest Group (SIG) - Technology, Instruction, Cognition, and Learning, **Graduate Reviewer**

## Leadership and Community Activities

**2023 summer** **The 20th Biennial European Association for Research on Learning and Instruction (EARLI) Conference**, *Section chair.*
- Host a round-table discussion where four papers presentations were involved on the topic of Teaching Practices as the section chair.
- Facilitated conversations on research thoughts exchange among audience and presenters.

**Sep.2022-Dec.2022** **The Quebec Scientific Entrepreneurship Program (QcSE)**, *Member.*
- Participated in a 12-week program subsidized by the Fonds de recherche du Québec.
- Communicated with other STEM and Social Science researchers from Quebec, learned the fundamentals of entrepreneurship, and evaluated an idea's market potential, transforming academic research into a world-changing tech company.

**2022 Summer** **Educational and Counselling Psychology (ECP) Programs Event**, *Speaker.*
- Discovered, prepared & presented information about the Learning Sciences concentrations for upcoming graduate students in Educational and Counselling Psychology.

**Sep.2021-Sep.2022** **Department of Educational Psychology and Counselling Psychology, International Student Group (ECP-ISG)**, *Community Member.*
- Organized two social events (virtual due to COVID) for supporting international students' mental and social needs.
- Coordinated with community members to hold academic workshops for students on formal writing and professional development.
- Attended committee meetings to discuss potential actions to build up stronger connection in the ECP community and host supportive workshops and events.
- Organized a video competition on the topic "How have you experienced multiculturalism at McGill?".

**Nov.2019-Mar.2020** **Department of Educational Psychology and Counselling Psychology at McGill University**, *Hiring Committee – Co-Student Representative.*
- Attended a training on equitable recruitment practices.
- Reviewed and ranked candidates' confidential application documents.
- Attended committee meetings to determine the short list of applicants to be interviewed and organized the "Lunch with ECP Graduate Students."

**Mar.2017-Mar.2018** **Shenzhen Lighten Entrepreneurship Promotion Association**, *Coordinator.*
- Participated in the formulation of the Chamber of Commerce to organize programs, committed to internal membership building, and coordinated communication.
- Assisted the founder in publicizing affairs, issued invitation and created sign-up applet to ensure the smooth running of the normal operation and activities.
- Structured meeting record, advanced the implement of proposal.

## Workshops

2021 Summer    ST Math (MIST) workshop, remote
- Participated in the daily ST Math (MIST) workshop host by Dr. Rutherford from University of Delaware.
- Attended trainings to students in quantitative analytics methods such as R and STATA in the research areas of educational games.
- Worked collaboratively on brainstorming for potential research questions and analyzing current data using methods learned.

## Technical Skills

**Softwares & Languages**    Quantitative analysis: Python, R & RStudio, SQL, SPSS, MPlus, RapidMiner, Epistemic Network Analysis, SmartPLS
Qualitative Analysis: MAXQDA, NVivo
Visualization: Tableau, Figma, XMind
